SUMMARY

Passionate Frontend Developer and UI/UX Designer with a Bachelor's degree in Business Analytics from Chitkara University and currently pursuing the Advanced Program in Digital Media Creation (APDMC) at MAAC, Chandigarh. Skilled in developing responsive websites and intuitive user interfaces using HTML, CSS, JavaScript, Bootstrap, React, and Figma. Experienced in creating modern web projects with a strong focus on responsive design, clean code, and user experience. Eager to begin my professional career and contribute to innovative web development projects.

PROJECTS

GIVA Jewellery Website Clone

Technologies: HTML5, CSS3, JavaScript, Bootstrap

- Developed a fully responsive jewellery e-commerce website inspired by the GIVA platform.
- Implemented product listings, wishlist functionality, shopping cart, category navigation, and interactive UI components.
- Optimized the website for desktop, tablet, and mobile devices

Luxury Perfume Brand Website

Technologies: HTML5, CSS3, JavaScript

- Designed and developed a fully responsive luxury perfume brand website with a premium and modern user interface.
- Created multiple pages including Home, Products, Collections, About, and Contact.
- Implemented responsive layouts, smooth animations, and interactive UI elements to enhance the overall user experience.

Spotify Clone Website

Technologies: HTML5, CSS3, JavaScript, Bootstrap

- Developed a responsive Spotify-inspired music streaming website featuring a modern music player interface and playlist layout.
- Built responsive pages with interactive navigation, hover effects, and smooth animations.
- Customized and enhanced the interface while improving responsiveness and overall user experience.

Personal Portfolio Website

Technologies: HTML5, CSS3, JavaScript, Bootstrap

- Designed and developed a responsive personal portfolio website showcasing projects, technical skills, education, and contact information.
- Implemented modern animations, responsive layouts, and a clean user interface focused on accessibility and performance.
